If you are looking for a **fun, family day** out this April, why not join the tens of thousands of people taking part in **National Spring Clean** and put a bit of a sparkle back into your local neighbourhood?

**Taking part in a litter pick is a great way for people of all ages to head out into the fresh air together, get some exercise, and make a real, visible difference at the same time.**

Each year enthusiastic volunteers take to the streets, countryside and parks across Scotland during the month of April to take part in Keep Scotland Beautiful's National Spring Clean campaign.

Have a look at the online map at [www.keepsotlandtidy.org/springclean](http://www.keepsotlandtidy.org/springclean) to find out what's already going on in your area, or get a group of friends or neighbours together and organise your own litter pick this spring.

If you register online at [www.KeepScotlandTidy.org/springclean](http://www.KeepScotlandTidy.org/springclean) or contact the Keep Scotland Tidy team on **01786 468242** with your event details, we will even send you a **FREE Clean Up Kit** to help you get started.
